The undersigned is aware that the process of allocating funds by the Eastern Carolina Council's (ECC) management, employees, Board of Directors, or other governing bodies may create instances where the appearance of a conflict of interest or the appearance of impropriety exists.

In order to avoid a conflict of interest or the appearance of impropriety, any individual who may benefit, directly or indirectly, from the Council's disbursement of funds shall abstain from participating in decisions or deliberations regarding the disbursement of those funds.

When the Eastern Carolina Council receives funds, which are allocated consistent with the purposes and goals of its programs, the undersigned will strive to ensure that funds are expended in such a manner that no individual will benefit, directly or indirectly, from the expenditure of such funds in any manner inconsistent with its programs.
