PROJECT LIFESAVER

BRINGING LOVED ONES HOME

New Bern North Carolina

Project Lifesaver is a rapid-response rescue program for individuals who are at risk of wandering and becoming lost. Participants are fitted with a personalized Project Lifesaver wristband. This unique wristband is a one-ounce battery-operated transmitter that emits an automatic tracking signal.

When needed, this signal can be tracked by specially trained personnel in the New Bern Police and Fire Department. Search time can be reduced from hours and days down to minutes. Project Lifesaver can provide comfort and peace of mind to caregivers without compromising the safety or dignity of their loved one.

Eligibility:

- Individual with cognitive impairment to include Alzheimer's Disease or related dementia.
- Due to cognitive impairment, exhibits wandering behaviors.
